

AVPS-100SB

Sound Bender AV Presentation Cart
with 80-watt DVD PA

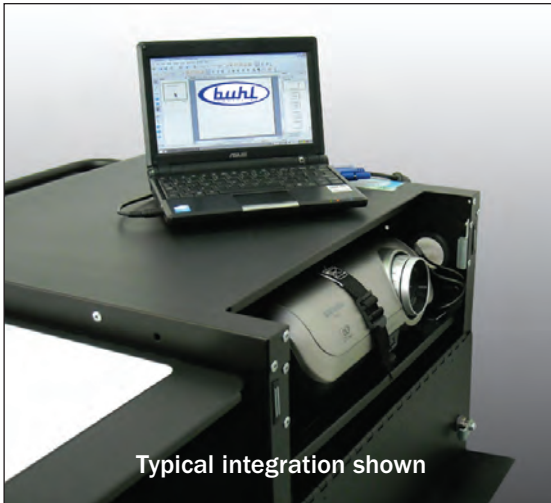

The Buhl Sound Bender is a complete mobile AV Presentation system for the classroom and businesses.

Complete with Wireless PA System and AV Cart the Sound Bender is the perfect solution for when you need a secure and easy to use mobile presentation system. Designed as an integrated package, all components of the Sound Bender are securely mounted within the steel locking cart. Just add your favorite projector and you're ready to go!

34" Secure powder coated steel cart:

- Patented tilt projector shelf and adjustable interior equipment shelf
- Integrated push/pull cutouts in top
- Locking doors with keyed-alike flush locks
- 19.5" x 15" hinged side shelf also holds door open and uses door as support
- Acoustic lens bends sound back out through the cart equipment door, towards the audience
- Includes 6-outlet power strip with 20' UL-listed power cord
- 34" height
- 156 lbs.
- One Year Warranty
- Ships via truck only on a pallette

Typical integration shown
