

MS34-AS60

Presentation Cart with Integrated 60-watt Audio System

Buhl Industries presents the MS34-AS60 AV Presentation Cart!

This rugged, all steel, high value Midsize AV Cart is designed to securely house a variety of audio-visual equipment in one integrated system so your presentation can go anywhere you need it. Power, audio and locks are included, just add your own AV equipment or contact us for an integrator partner to fit out a cart for you.

This cart includes a powerful stereo sound system that will fill most full sized classrooms. Its twin tweeter and subwoofer box allows rich sound to come from VCR/DVD systems as well as computers.
