

# Manual Wall Screens

## The Buhl wall or ceiling mounted projection screen that's perfect for classroom, business and home theater applications.

These Buhl screens feature a durable flame retardant and mildew resistant screen material with superior reflectivity and a matte white surface, rolled into a rugged metal case. A 1" border is incorporated in the screen surface.

### Product Features:

- Attractive and practical spring-roller screen
- Metal case with dove white color, simple slim-line design
- Durable construction with matching sturdy endcaps
- Easy to assemble, suitable for both wall and ceiling mount
- 1" black masking border to assure best video image
- Unique self-locking system to assure reliable locking, quite smooth operation
- Patented design eliminates friction between viewing surface and metal parts
- Inner aluminum axle to assure no surface deformation
- Flame retardant, mildew resistant, matte white fabric
- One Year Warranty

### Screen Fabric Information:

- Matte White
- The most versatile screen surface and the premier choice when ambient light is controllable. It evenly distributes light over a wide viewing area while colors remain bright and life-like, with no shifts in hue. Screen surface can be cleaned with mild soap and water. Flame retardant and mildew resistant.
